Approximate insemination date. ....

**And agree to the following Term and Conditions:**

1. All bookings must be made directly to Terry and Leonie Walsh of \$1200-00 (Inclusive of G.S.T.), plus all freight/transport fees must be paid in full to Equine Artificial Breeding Services (cleared funds) before the stallion owners will dispatch semen. This sum includes a non-refundable handling/booking fee of \$250-00.
2. This contract supplies three breeding doses (three cycles).
3. Semen not used will remain the property of the stallion owners and shall not be used to inseminate any other mare unless authorized by the stallion owners. This semen may only be used to attain additional pregnancies if an additional service fee of \$1200-00 (Incl GST) per pregnancy is paid.
4. If the mare does not conceive, then the mare owner may exercise their option to substitute another mare for insemination. Additional breeding doses may be purchased at a cost of \$250-00 per dose. The mare owner must notify the stallion owners of a replacement mare prior to insemination.
5. Should the mare be determined not in foal, abort or give birth to a dead foal then a Veterinarian's Certificate and written notification providing suitable details must be issued to the stallion owners within 7 days.
6. The mare owner must provide the stallion owners with a Veterinarian's Certificate stating a positive pregnancy (45 days).
7. The stallion owners shall issue a Service Certificate at the end of the program.
8. It is the mare owner's responsibility to liaise with the stallion owners and advise the stallion owners of the mare's status – pregnant or empty.
9. Live Foal Guarantee shall only apply to a mare with a proven breeding history. In the case of a maiden or elderly a Veterinarian's Certificate recommending the mare as suitable to the program will be required.
10. Life Foal Guarantee agrees should a mare be deemed suitable by the vet undertaking the insemination procedure fail to give birth to a live foal, then the following season the mare owner can choose either to:-
  - A) Purchase additional frozen semen at a cost of \$250-00 per breeding dose  
*or*
  - B) Send the mare to stud, with a non-refundable handling fee of \$250-00 to be paid, plus agistment costs.

**We note that should either of these options be exercised the mare to be used may only be the may used in the a.i. program.**
11. It is the responsibility of the mare owner to register the foal and insure that the procedure is in accordance as prescribed by the Riding Pony Stud Book Society Ltd. The stallion owners agree to provide necessary documentation to the Society and/or to the mare owners.
12. A.I./D.N.A. forms are the responsibility of the mare owner and must be organized prior to insemination. (In accordance with the Riding Pony Stud Book Society Ltd.) Telephone 02 6773 3317.
13. All transportation fees and handling costs are the responsibility of the mare owner and these costs are payable to Equine Artificial Breeding Services. These fees must be paid prior to shipment of semen.
